DAYTON

Where Innovation Meets Tradition

From the Wright brothers' first flight experiments in their Dayton bicycle shop to the invention of the first self-starting automobile ignition system by Charles F. Kettering, from the cash register to the automated teller machine, Dayton has a strong tradition of encouraging innovation, excellence and service to humanity. Over 900,000 residents and Wright-Patterson Air Force Base call Dayton's metropolitan area home.

Dayton is a place that takes as much pride in historical preservation and parks as it does in high technology. Located in southwestern Ohio's Miami Valley at the confluence of the Great Miami, Stillwater and Mad Rivers, Dayton is a picturesque combination of rolling hills, flowing waterways and open spaces. Dayton boasts more green area than any U.S. city its size. Over 35,000 acres of parks, nature preserves and other greenery beckon you to enjoy your favorite outdoor activities, and a popular river corridor along the Great Miami River offers 26 scenic miles of walking, jogging and cycling.

In the Heart of the Midwest

Dayton welcomes its visitors with big-city amenities and small-town, Midwestern friendliness.

Dayton's central location among Columbus, Cincinnati and Indianapolis puts major collegiate and professional sports activities, cultural events and other recreational opportunities within easy driving distance. It's one of the nation's most accessible (and affordable) destinations. Chicago, Detroit and Cleveland are all within a day's drive, and Indianapolis and Louisville are even

closer. Cincinnati is just 54 miles away.

Each year, over 2.5 million people visit Dayton for business and pleasure. Over 100 festivals and the United States Air and Trade Show, a four-day celebration of flight, delight visitors from all over the nation. The U.S. Air Force Museum at Wright-Patterson Air Force Base, the oldest and largest military aviation museum in the world, has become the state's number one free visitor attraction.

Other notable places to see include the National African-American Museum and Cultural Center, the Boonschoft Museum of Discovery, the historic Wright Brothers Bicycle Shop and Carillon Historical Park—a museum designated a National Historic Landmark by the National Park Service.

Dayton is strong in the arts. It boasts the Dayton Ballet Company, one of the nation's oldest regional companies, the Dayton Contemporary Dance Company, the Dayton Philharmonic Orchestra, and the Dayton Art Institute, which houses an internationally acclaimed collection of paintings, sculpture and decorative art spanning many cultures and time periods.

HEAD COACH

Sheila Nahrgang

12th Year

The Wright State softball program continues to grow under head coach Sheila Nahrgang, who is in her 12th season at the helm.

After finishing eighth in the Horizon League regular season standings in 2003, the Raiders did the impossible as they went 4-0 in winning the Horizon League Tournament title in Cleveland, defeating top seed Loyola, #4 seed UW-Green Bay, #2 seed Youngstown State in the winner's bracket

finals and #6 Cleveland State in the championship game. WSU then became the first eighth seed to win a game in NCAA history as the Raiders defeated Missouri in the regionals at Ann Arbor, Michigan.

The Raiders have enjoyed their greatest success ever in the past seven seasons under Nahrgang, starting with a 29-23 record in 1997, the first time the squad had posted a winning record in 12 years. Wright State then finished third in the Midwestern Collegiate Conference in 1998 and tallied over 30 wins for the first time in 1999.

2000 saw WSU post its most wins in a season (36) and record its highest conference finish as the Raiders placed second in the MCC with a 9-3 record. As a result, Nahrgang received recognition as the MCC Coach of the Year. Over the past seven seasons, Wright State has posted a total of 169 victories.

The Raiders have also enjoyed plenty of postseason honors during the last seven years. Five players have been named to the All-Great Lakes Region teams. Conference wise, 10 have been chosen to the First Team, 17 to the Second Team, 11 to the All-Newcomer Team, six to the All-Tournament Team, one as Conference Pitcher of the Year and two as the Conference Newcomer of the Year.

Off the field, Maria Barhorst was honored in 2001 as a Third Team Academic All-American.

Away from the diamond, the softball team finished with the 13th best grade point average of all Division I programs in the country during the 2002 season. The Raiders recorded a 3.285 grade point average that season and was one of four Horizon League schools to make the list, joining Detroit, Cleveland State and Loyola. The Raiders, who were also one of eight Ohio Division I schools on the list, finished ahead of such schools as Harvard, Stanford, Purdue and Army.

Prior to coming to WSU, Nahrgang played for two seasons at Creighton University with both of those teams finishing runner-up in the NCAA regionals. She also played one season at the University of Nebraska-Omaha and coached an 18 and under fastpitch "Elite" team in Omaha for one year.

Nahrgang graduated with a bachelor's degree in business from Wilberforce University in 1994.

ASSISTANT COACHES

Nikki Plugger

Sixth Year

Nikki Plugger is in her sixth season on the Wright State coaching staff after spending six seasons as both a player and a coach at the University of Toledo.

A four-year letterwinner for Toledo from 1993-96, Plugger was a three-year starter at shortstop for the Rockets and ranks among the school leaders in several categories. She is second in school history in home runs with eight and fifth in doubles with 29. She is also fifth all-time in fielding assists with 430 and is in the Top 15 in games played (200), at bats (557), triples (5) and runs batted in (56).

Plugger was also part of the Toledo coaching staff for two seasons, serving as an assistant in 1998 after being a graduate assistant in 1997.

A native of Grand Rapids, Michigan, Plugger earned four letters in softball and swimming and two in volleyball at Northview High School. She earned a bachelor of arts degree in commercial recreation from Toledo in 1997.

Kristin Bultinck

First Year

After an outstanding career that concluded last year, Kristin Bultinck returns to the program this season as an assistant coach.

Bultinck finished her WSU career as the school's all-time leader in innings pitched (690.1), strikeouts (581), starts (99), complete games (77), wins (47) and shutouts (13) and finished fourth in earned run average at 2.09. She also set Raider season records last year in innings (254.1), strikeouts (267), complete games (29) and starts (36).

The 2000 Midwestern Collegiate Conference Newcomer of the Year, Bultinck was First Team All-MCC that season and was First Team All-Horizon League in 2003 and Second Team All-League in 2002. She was also selected to the 2003 Horizon League All-Tournament Team as she went 2-0 with two saves and 36 strikeouts in 23.1 innings.

Bultinck pitched the Raiders into the history books at the 2003 NCAA Regionals in Ann Arbor, Michigan, striking out four in a complete-game 3-1 win over the Missouri Tigers on May 15, allowing Wright State to become the first eighth seed to ever win an NCAA Regional game.

A native of Sterling Heights, Michigan, Bultinck will graduate with a bachelor's degree in early childhood education later this spring.
